

Special Plaque Dedication
March 21... 11:00 AM
ELKS Lodge—Boulder City

▶ Special Plaque Dedication

In 1938, Transcontinental and Western Air Lines, later TransWorld Airlines, began serving Clark County, flying into Bullock Field in Boulder City. The airline believed that Boulder City would be a more lucrative market than nearby Las Vegas. We will be dedicating a plaque marking this very location on **March 21, 11:00**
